Hiring Film Equipment?

YOU'LL NEED INSURANCE!

You can arrange short term cover online now from **as little as £63**

Using our 'Quote & Buy' facility means that, subject to eligibility, you can arrange cover now if you can answer yes to these four questions;

- 1) Cover is for a maximum of 7 days?
- 2) Will be used within the UK only?
- 3) The equipment value is less than £350,000?
- 4) Loss of Hire charges not to exceed £50,000?

Yes to all four?

Then simply access our 'Quote & Buy' service at

www.essexinsurancebrokers.com/film-insurance

You can arrange cover online 24/7.

All documents are emailed to you in seconds.

If your requirements fall outside our online criteria, we can still help – telephone or email us and we'll quickly find an answer to suit your needs.

While you're there - do you need liability insurance?

We can help you with this too! You'll need Public Liability when filming at many locations and Employers Liability is a legal requirement even if the people working on your production are freelancers or volunteers.
